Honorable Nicholas DeB. Katzenbach

Armonk, New York 10504

Dear Mr. Katzenbach:

I have been informed that you recently called Deputy Attorney General Harold Tyler to express your concern about an article written by John Crewdson in the New York Times concerning taps and/or bugs on Marina Oswald. I understand that you said this article may be unfair to us and certainly it may also have been unfair to you. The fact that you took the time and trouble to inform Judge Tyler is most appreciated, and I am hopeful that this matter will be straightened out in order that we might prevent even further misunderstandings.

Sincerely,

151 Clarence Kelley
